- b) All entrants must have paid in full before they will be allowed to hunt.
- c) All entrants must sign all the necessary liability waivers and insurance documentation.

5) **SAFETY REQUIREMENTS**

- a) All hunters must wear blaze orange hats and/or vests and insure that guns are not loaded until in actual pursuit of game. Shooting or safety glasses are recommended.
- b) Teams can consist of four to six hunters. No more than two unarmed guides and/or dog handlers are allowed to be on the property with each team. Guides and dog handlers are not included in the six. ** Note ** -“ Only 6 dogs allowed on the ground hunting at any one time. You may have more dogs, but can use only 6 at a single time. “
- c) All hunters must possess a valid Land Access Permit (LAP) issued by the Hunt Organizing Committee, which safely limits the number of hunters on each property. The Organizers will determine the number of hunters allowed on each property and assign properties accordingly.
- d) All birds must be taken with a clear line of view, birds should be taken in the air and without obstruction from vegetation, physical landmarks, etc. Hunters must always be aware of other hunters, dogs, livestock and irrigation equipment.

OFFICIAL RULES FOR THE
10th ANNUAL STAVELY ELKS
PHEASANT DERBY

- e) Promoters, organizations (including landowners) that are assigned in event operations, there agencies and agent are not responsible for death, injury, damage, liability, theft, fire, or any loss to any entrants.
- f) All entrants, upon registration, are required to sign a liability waiver and an insurance membership form. Failure to do so will disqualify that team member and all of the remaining members of the team. Hunters under the age of 18 will be required to have a liability waiver signed by a parent or guardian.
- g) No consumption of alcoholic beverages prior to or during your hunt is permitted. Each individual or group is responsible for their own actions during and after hunting activities.

6) **HUNTING REGULATIONS**

- a) Hunting licenses are not required, as the event is held on permitted game bird shooting ground licensed hunt lands.
- b) Hunting for male pheasants is **ONLY ALLOWED** on land designated in the Game Bird Shooting Ground License.
- c) Only roosters are to be hunted. If a hen is shot, it will be replaced for \$100.00 at the expense of the hunter. Birds will be given a 15-minute settling time after each release. No more than two releases are allowed.
- d) Hunt times and rules to be monitored by on-site Elks Host/Marshal.
- e) The "Pack Out What You Pack IN" regulation is in effect at all times. PLEASE DO NOT LITTER!! Hunters are required to pick up all hulls and garbage. No smoking outside of vehicles. PLEASE DO NOT CLEAN PHEASANTS ON HUNT PROPERTIES.
- f) NO ATV's, Snowmobiles, Quads, etc. will be used by the hunters during the hunt on all lands.

HUNTING REGULATIONS FOR THE
10th ANNUAL STAVELY ELKS
PHEASANT DERBY

- g) There will be NO planting of the birds as they will be released freely by the Elks Marshal or Host on the lands.
- h) Hens must be released on the shooting ground property and must be released first.
- i) The Percentage Rule. Each team is given 40 cocks and 10 hens. The hens must be released on the hunt property that is designated to you. For purpose of prizes and for naming the team with the most bird's shot, this is how it will be done. The cocks while being released will be counted by both the Marshal and the team. This way everyone is in agreement how many birds have been released. If a team releases 40 birds and shoots 45 then it is considered that they shot 100% of their birds. If a team, for whatever reason, releases 37 birds and shoots 37 birds, then it is also considered that they shot 100% of their birds. We also realize that birds will fly across fence lines and onto other hunt properties, due to the amount of birds that we are loading and tagging, it is not realistic, unfortunately, that we will be tagging birds with different colored bands or marking them in any other special way. The Elks and it's volunteers will make every effort to make certain that each team has 40 cocks to release on their hunt property. We also remind everyone that you must hunt on the property given to you and **ONLY** that property. If your birds do fly off your hunt property and onto other land, whether it is a hunt property or not, you are NOT Permitted to cross the Boundary and hunt those birds. Those birds are considered lost; your Marshal will assist you in any way to make certain this does not happen. This is also the reason that each team is given 10 hens to release, use these hens to check wind directions and make certain that your birds will fly and stay on your property.
- j) Only 6 DOGS MAXIMUM HUNTING at any one given time .
- k) If your team is short more than 3 birds, the marshal is required to contact the Head Area Marshal to acquire the correct number of birds.

7) **REQUIRED ACTIVITIES**

- a) Attendance on Friday Night Smoker is mandatory for all hunters of each team. All team members are welcome and expected to attend. Signing of waivers and insurance will happen at this time. Hunters unable to attend Friday Smoker will be subject to a \$25.00/ person late registration fee if registering on Saturday morning before the hunt.
- b) One member of each team is required to bring a vehicle capable of transporting four bird crates (each crate is 3 ft X 2 ft X 1 ft) from the Stavely Community Hall to the hunt grounds.

9) **PRIZES**

- a) Each bird shot will be awarded a Pheasant Derby two-part ticket, which will be used for prizes. Each hunter is responsible for having his/her tickets at the banquet. **Each ticket can only win once.**
- b) Ticket distribution among each individual team is at their own discretion. i.e.: split evenly regardless of who shot the birds. The final decision on who actually shot each bird will be decided at the team level and any discrepancies will be determined by the protest policy standard in Section 11.
- c) One special banded bird will be released on each site. If this bird is shot, the band will be given to the successful hunter by the Elks Marshall/Host. The band # will be documented on the Marshal Check List. DO NOT LOOSE THIS BAND & bring it Saturday evening for a special draw. THIS IS THE HUNTERS RESPONSIBILITY TO HAVE THE BAND @ THE DRAW. No Special Band = No Entry into This Double Banded Bird Draw .
The individuals who shot the specially banded birds will be entered at the Saturday evening "Cock Roast " in a special descending draw. If there is no special banded bird harvested , the prize will be awarded by a random draw from the entire Group of Teams.
- d) Prizes and Draws are to be made at the Saturday night banquet. All awards are final and hunters must be present to receive his/her prize.
