Zinio for Libraries Mobile App Migration to RBdigital

Nearly 60% of Zinio for Libraries app patrons have already migrated to the RBdigital app, which provides access to magazines and other types of content to which your library subscribes. To provide enough time for the other 40% of patrons to migrate, patrons will be able to access all of the functions of the Zinio for Libraries app until December 11, 2017. At that time, the Zinio for Libraries app will be locked for each patron. The app will still be available but will display the following message:

“Zinio for Libraries has merged with RBdigital. To access your magazine collection, please download the new RBdigital app now by clicking here. Note: Your username and password will remain the same.”
