GARBAGE DAY CHANGE

Public Works is closed Monday September 7th
therefore Residential & Commercial garbage will
be collected **Tuesday September 8th**

RECYCLING UPDATES

Residents will receive their new blue bins from
T&T Disposal Services in September, with the
exact delivery date to be confirmed. Bi-weekly
collection will begin in October. For all questions
regarding the blue bin program, please contact
T&T Disposal Services at

403-938-7930 recycling@tandtdisposals.ca

Recycling utility costs will not change with the
introduction of the new blue bins.
The Town's current recycling depot will remain
available for rural residents.

Please scan the QR code or visit
circularmaterials.ca/AB for more information.

COMPOST SITE RELOCATION

Work is underway east of the Rodeo Grounds
(south side of the road) to prepare the future
location of the Town's municipal compost site.

Relocating the compost area will improve
access, enhance safety, and eliminate public
access through the lagoon area.

The current compost site will remain open
during construction. Residents are asked to use
caution, follow posted signage, and give crews
and equipment plenty of space while work is
underway.

Thank you for your patience and cooperation as
we complete this project.

LOOSE GARBAGE

Please bag ALL household garbage before
placing it in your bin.

Loose garbage can spill onto the street when
bins are emptied into the collection truck,
creating unnecessary litter and mess.

Say hello to your
new recycling cart!

Your new 360-L recycling cart arrives in September.
